- ❖ FSG – Took a tour of Crestmont Farms at last meeting. Crestmont would like to do another meeting in the future. Planning to have a “walk-n-talk” in Peavy Aboretum with Dave Hunter (Mieke’s Dad) who is a professional forester.
- ❖ IFSA – Held a successful regional meeting over spring break. Currently working on onboarding new club officers.
- ❖ Forestry Club – Conclave was a big success and OSU came in first place! Spring term will be focused on onboarding new officers, general meetings and woodcuts.
  - Side note that Noah is an ASOSU Officer and shared info about a sustainability grant available for a sustainability initiative to schools and surrounding areas. Could be applicable for student clubs and he can provide more information.
- ❖ SAFE – Working on identifying some guest speakers. Recently heard from OSU Grad Student Stephanie Winters spoke at a recent meeting.

### Topics of discussion:

- ❖ IdealLogic Training – Brooke spoke with Dante regarding the possibility of receiving some training. He advised that there is *required* training for all club officers. His suggestion is that all officers complete this training (which has been updated) and then if there are still questions or need for clarification, we can schedule a time for him to work with the group. Brooke will check with Dante to see if there is a possibility of Officers who have completed the training to go through the updated training modules again.
- ❖ SAF will be talking with Brooke and Amy about the upcoming Career Fair.
- ❖ Next meeting (likely final meeting of 2022-23) rescheduled for May 18<sup>th</sup> at noon in PFSC 241 and on Zoom. Agenda to follow.

Meeting adjourned at 12:30 pm.
